### SCÉNARIO NOUVEAUX DÉFIS : FACILE 2

**Réservé au Gentil organisateur**  
**Ne lisez pas ce scénario si vous êtes un joueur !**

Ce scénario clé-en-main vous permet de jouer tout de suite et sans connexion internet. L'un des joueurs devient le Gentil Organisateur (GO) ; son rôle est de faire jouer les autres joueurs. Le GO se place face au plateau, à côté de la météo et des objectifs.

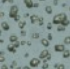

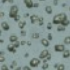

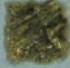

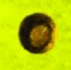

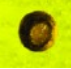

Lorsque les joueurs utilisent des outils dans le jeu, le GO leur indique ce qu'ils trouvent dans les cases. Selon l'outil utilisé, le résultat change et le GO donne des informations différentes. Les cases qui ne sont pas indiquées dans le scénario ne contiennent aucun vestige. Certains jetons (murs et fossés) ont un sens. Le scénario indique dans quel sens placer les jetons sur le plateau.
